10U Slant /14U Vertical  
Rack Case with Caster

Good construction doesn't go out of style. That's our MO and that's why we create cases that are done right. Designed with a 10U slanted top rack for convenient mixer/CD controller placement and a 14U vertical rack for amp or effect units, the RRM14UW is built right. The RRM14UW features an 18" mountable rack depth and 2 heavy-duty removable covers. To make a good thing even better we added a unique removable, rear hinged door for easy access to your gear. We even included a heavy-duty 3 1/2" caster for easy mobility. At last, connections without a hassle.

Need optional Road Ready Accessories to help outfit your Slant Rack? Check out our Road Ready Side Wings (RRMW)
