How to set up your MagicSing E2Dual karaoke system.

Congratulations on your brand new MagicSing karaoke system. In this step by step tutorial we will help you set up your E2Dual in just a few steps.

- 1) Unpack the box, connect the main station to the tv with the HDMI cable and connect the power adapter.
- 2) Place the batteries in the two (2) wireless microphones and in the remote control.
- 3) Switch the karaoke system on by switching the power button, which is located on the back of the system. You can switch the microphone(s) on by pressing the power button on the microphone (red button).
- 4) Make sure your television is set on the right channel (HDMI channel)

Now you will see the loading screen of the MagicSing karaoke system. The system is booting.

When you turn your MagicSing karaoke system on for the first time it will ask you to complete the set up by adjusting the screen size and connecting the system to the WiFi.

After these two steps, the system will display a QR code after the set up which can be scanned with the camera function on your mobile smartphone. This is the link to the "MagicSing Europe karaoke" app. Please download the MagicSing Europe karaoke app to your smart(phone) device.

Last but no least. It's possible there is a firmware update available for the system. If you get a message saying there is one, please run the update.

Using the MagicSing Europe karaoke app.

Setting up your MagicSing account and using the app on your smart device will require an e-mail address and a password. **Make sure you use the same e-mail address when you register your voucher code.** This way you verify the voucher code linked to the right e-mail address.

To link your smart device with the karaoke system you open the MagicSing Europe karaoke app and click on the menu icon. Then you have to switch "scan QR code" to on. Then tap on scan QR code.
