

Modern and very compact built-in speaker provided with a 3" woofer. This loudspeaker has a "halogen-spotlight" size, what makes it ideal to integrate into each interior. The loudspeaker comes with a high quality 100 Volt transformer, 6 watt with several power tapings. The housing is made of metal. The loudspeaker itself is made of polypropylen, what makes it moisture-proof. The loudspeaker is easy to install, due to its simple, quick mounting system (2 spring-clamps)

Standard colour : white RAL 9010

From 12 pieces on, the loudspeakers can be painted optionally in any other RAL colour
