A versatile and efficient
fixtures transporter

MEAT- RACK

Store and transport your moving heads, lighting bars and single luminaires with our Meatrack cart. Depending on the amount and size of your fixtures, you can build your ideal Meatrack in your desired height and length. Choose hanging tubes, in aluminum or steel, to create the desired storage space for your fixtures.

KEY FEATURES

Design your own cart

Build your perfect Meatrack step-by-step by choosing the most suitable height, length and amount of hanging tubes.

Efficient design

Pre-drilled holes in the side panels allow you to place the hanging tubes at any height and thus, maximize the use of space.

Flexible setup

Adjust the height, amount and position of the hanging tubes based on the type and number of fixtures you need for a specific job.
