

Z-800 III

Antari Z-800 is well known for its mobility and portability throughout the industry. With less than 120s warm-up time, you can easily generate a steady, continuous fog without reheating time and you can control via cable or wireless remote. The new Z-800 III comes with a built-in voltage protection module that will signal you if you plug in the wrong voltage outlet.

Z-800 III

Z-800 III Specification

- Input Voltage	US model: AC 100-120V, 50/60Hz 6.7A EU model: AC 220-240V, 50/60Hz 3.5A
- Rated Power	800W
- Warm-Up Time	2 minutes (approx.)
- Fluid Consumption	13 ml/min
- Fluid Tank Capacity	0.8 Liters (0.21 gallon)
- Recommended Fog Liquid	Antari FLG Heavy Fog Fluid
- Control Methods	Manual Timer remote (Optional) Wireless remote (Optional)
- Dimension	L 315 W 128 H 218 mm L 12.40 W 5.04 H 8.58 inch
- Weight	4.2 kg (9.26 lbs)

Z-1000 III / Z-1200 III

When it comes to "performance", Antari Z-1000 / 1200 are best entry level performance fog machine you can find in the market. Both machine comes with patented UNICORE heater and thermal Cut-Off technology.

The new Antari Z-1200 III come with a LCD display where you can monitor the warm-up status of the heater. Also you can choose 4 different type of fog liquid from the display directly and with the new smart sensor that will adjust temperature according to the fog liquid you chose and provide the best, dry and smooth fog you ever seen.

Both machines use embossed stamping process to get a sleek appearance. It also come with a built-in voltage protection module that will signal you if you plug in the wrong voltage outlet and increase its output volume by approximately 10% that will outperform similar products in the market.

Z-1000 III

Z-1200 III

Z-1500 III / Z-3000 III

"Stability", "Durability" and "Reliability" are the motto of the Antari Z-1500 / Z-3000. It continues to be the fogger that dominates the market if you want ultimate performance and precision control.

The new Antari Z-1500 III / Z-3000 III upgrade to a LCD display with 2 rotary knobs control panel and the new casing design uses embossed stamping process on one side and hollow craved design on the other. With built-in auto liquid detector, your liquid will never run low and we've increase the output volume approximately 30% to exceed the limit of other similar products.

The new Antari Z-1500 III / Z-3000 III is the utmost machine with all the functions you need on the market.

Z-3000 III

Z-1000 III Specification

- Input Voltage	US model : AC 100-120V, 50/60Hz 9A EU model : AC 220-240V, 50/60Hz 4.5A
- Rated Power	1000W
- Warm-Up Time	6 minutes (approx.)
- Fluid Consumption	60 ml/min
- Fluid Tank Capacity	1.7 Liters (0.45 gallon)
- Recommended Fog Liquid	Antari FLG Heavy Fog Fluid
- Control Methods	Manual, DMX (1 channel) Timer remote (Optional) Wireless remote (Optional)
- Dimension	L 433 W 198 H 214 mm L 17.05 W 7.80 H 8.43 inch
- Weight	7.9 kg (17.4 lbs)

Z-1200 III Specification

- Input Voltage	US model : AC 100-120V, 50/60Hz 10A EU model : AC 220-240V, 50/60Hz 5.5A
- Rated Power	1200W
- Warm-Up Time	10 minutes (approx.)
- Fluid Consumption	85 ml/min
- Fluid Tank Capacity	2.5 Liters (0.66 gal)
- Recommended Fog Liquid	Antari FLG Heavy Fog Fluid
- Control Methods	Manual, DMX (1 channel), Timer Wireless remote (Optional)
- Dimension	L 458 W 243 H 251 mm L 18.03 W 9.57 H 9.88 inch
- Weight	12 kg (26.46 lbs)

Z-1500 III Specification

- Input Voltage	US model : AC 100-120V, 50/60Hz 12.5A EU model : AC 220-240V, 50/60Hz 6.3A
- Rated Power	1500W
- Warm-Up Time	10 minutes (approx.)
- Fluid Consumption	150 ml/min
- Fluid Tank Capacity	6 Liters (1.59 gallon)
- Recommended Fog Liquid	Antari FLG Heavy Fog Fluid
- Control Methods	Manual, DMX (1 channel), Timer Wireless remote (Optional)
- Dimension	L 647 W 235 H 278 mm L 25.47 W 9.25 H 10.94 inch
- Weight	13.3 kg (29.32 lbs)

Z-3000 III Specification

- Input Voltage	Only available in EU model : AC 220-240V, 50/60Hz 11A
- Rated Power	2500W
- Warm-Up Time	10 minutes (approx.)
- Fluid Consumption	250 ml/min
- Fluid Tank Capacity	6 Liters (1.59 gallon)
- Recommended Fog Liquid	Antari FLG Heavy Fog Fluid
- Control Methods	Manual, DMX (1 channel), Timer Wireless remote (Optional)
- Dimension	L 712 W 275 H 278 mm L 28.03 W 10.82 H 10.94 inch
- Weight	19.1 kg (42.1 lbs)
